| 교과목 교육목표 (Course Objectives) | This course will be both theoretical and practical. Understanding basic concepts of social science research, understanding research design using experiment or survey, how to collect data, and how to analyze data, and how to write a research paper are all covered. If you have any questions regarding the class, please call me at 010-7241-7375 or email me at ktkim3gmail.com. | | | | | | | |
| 교과목개요 (Course Description) | Welcome to MFM class. The purpose of this course is to introduce students to the process of conducting social science research. All course materials, including main textbooks, PowerPoint presentations, and handouts, are written in English. The class will be conducted in English, and I will lecture in English. I will make use of PowerPoint presentations, videos, and blackboards to aid in your understanding. To assist in reviewing the class and preparing for exams, I will align the material with the PowerPoint presentations. However, additional content that is deemed necessary will also be covered during the lectures, as it is usually important. | | | | | | | |

| 교과목교육목표 성취도평가방법 (Evaluation on the extent to which course objectives have been achieved) | <p>1. Exam: The exam is worth 60% of your final grade. All exams will consist of multiple choice questions, true/false questions, and some essay questions. There will be a review session before each exam. For the exam questions, I will avoid tricky or peripheral questions. Listen to the points that I emphasize in class and be active in class activities.</p> <p>2. In-class activity (reports and assignments): In-class activities are worth 20% of your final grade. You will be given 1-2 page PowerPoint presentations that describe the situations or cases to which the social research methods you have learned in class are applicable. (Sometimes you will watch some video clips.) You will discuss the issues presented in the PowerPoint presentations in groups of 4-5 students. Sometimes, one member of your group is supposed to bring a laptop computer to complete the task.</p> <p>3. Attendance: Attending classes regularly is in your best interest. Attendance is worth 20% of your final grade. One missed class equals to -2. Two late attendances equal to one missed class.</p> | | | | | | | |
