교과목 교육목표 (Course Objectives)	This course deals with the process and dynamics of American Politics and its implications for democracy. The course will address these topics from a partisan perspective, since political parties are the core of electoral process as well as policymaking process. This course aims at not only enhancing the knowledge on American politics, but also developing communication skills in English.								
교과목개요 (Course Description)	The emphasis of the course will be on the three parts of political parties and their roles in American political process. Another focus of the course will be on the process of American elections, particularly presidential election, using election-related materials like Pew Research Data and YouTube video clips.
