교과목 교육목표 (Course Objectives)	This course will be both theoretical and practical. Understanding basic concepts of social science research, understanding research design using experiment or survey, how to collect data, and how to analyze data(with JASP program), and how to write a research paper are all covered. If you have any questions regarding the class, please call me at 010-7241-7375 (office 02-300-0713) or email me. You do not need to buy the textbook for this class.								
교과목개요 (Course Description)	<small>Before to BBS class</small> <small>201 semester of this course is to introduce students to the aspects of conducting social science research. All lecture materials are written in English. I will make use of PowerPoint presentation, videos, and Blackboard to aid in your understanding. You do not need to buy the textbook. In order to understand the class and preparing for exams, I will assign the lecture with the specific presentation. However, additional content that is deemed necessary will also be covered during the lecture. This is an English lecture and a methodology lecture, but don't worry. This class will be each easier and more fun than the students think.</small> <small>I will prepare the lecture in English. I will make the lecture as easy as I can. I also to answer the content in Korean in the middle of the class and before the end of the class to help students understand. Please don't worry. There is not a extra burden. The rest of you. The English used in the professor will be very simple and easy to understand.</small> <small>이제부터 학기 수업, 블렌디드 러닝 방식의 수업을 하게 됩니다. (Paper-to-face lecture and LMS)</small>

교과목교육목표 성취도평가방법 (Evaluation on the extent to which course objectives have been achieved)	<small>Good news.</small> <small>English lectures are evaluated more leniently than regular lectures. A grade can be given up to a maximum of 45% (A+ can be given up to a maximum of 40%), and at least 80% of the students should be given a B+.</small> (관대한 상대평가 기준) 1. Exam:Final exam only <small>The exam is worth 50% of your final grade. (Final exam only:40%, no mid-term exam, a short essay report for a mid-term exam: 10%)</small> <small>All exams will consist of multiple choice questions, true/false questions, and some essay questions.</small> <small>For the exam questions, I will avoid tricky or peripheral questions. Listen to the points that I emphasize in class and be active in class activities.</small> 2. In-class activity (No 팀활동) <small>In-class activities are worth 30% of your final grade.</small> <small>You will be given 1-2 page PowerPoint presentations that describe the situations or cases to which the social research methods you have learned in class are applicable. (Sometimes you will watch some video clips.)</small> <small>Especially, the in-class activities, such as quiz games, movie viewings, and fun practical exercises, are designed so they won't be difficult or boring at all.</small> 3. Attendance <small>Attending classes regularly is in your best interest.</small> <small>Attendance is worth 20% of your final grade.</small> <small>One missed class equals to -2.</small> <small>Two late attendances equal to one missed class.</small>
